**In the email subject line please use "DATAETHICS Winter School, your Name"
Information sheet on data protection
(to remain with the respondents)**

DATAETHICS Winter School 2024 application process - in the framework of the DATAETHICS: Changing Landscapes in the Health and Life Sciences: Ethical Challenges of Big Data - is carried out on the basis of the provisions of the Federal Data Protection Act (BDSG) and the General Data Protection Regulation (DSGVO) as well as the State Data Protection Act applicable to your state. The employees of the project are subject to the duty of confidentiality and are obliged to maintain data secrecy. The information you provide serves solely

project purposes. Data protection requires your explicit and informed consent for us to store and evaluate the data collected.

We handle your information carefully: The data holder and the body responsible for data processing is the Institute of Pathology at the University Medical Center Göttingen and only the DATAETHICS Steering Committee Selection Committee local teams at the DATAETHICS partner institutions gain the insights into the personal data for selection purposes. The declaration of consent to evaluation and selection approved by you will only be used to prove that you agree to the evaluation and selection in the event of an inspection by the data protection officer. The information you submitted in the DATAETHICS application form and attached documents and the declaration of consent to evaluation and selection are kept for ten years and serve to ensure the traceability of the results.

Your consent is voluntary and you can revoke it at any time before the period of the 10 years. If you have any questions about data protection, please contact us. You have the right to lodge a complaint with the UMG Göttingen data protection officer and the relevant data protection supervisory authority, the contact details for these bodies are listed on this letter below. You have the right to obtain information (including the provision of a copy free of charge) about the personal data concerning you and, if necessary, to request its correction or deletion.

By submitting your DATAETHICS Winter School 2024 application form with supporting documents, you declare your consent to the data processing as indicated above, for the purpose of evaluation and selection of your application and candidacy to the DATAETHICS Winter School 2024.

If you have any questions, please do not hesitate to contact us.
